## EXPERIENCE

### frog, Visual Design Intern

June 2019–Present | Brooklyn, NY

For nine weeks, I am working and learning alongside the frogNY team. Projects include designing and prototyping an app, strategizing best practices and tools for a corporate product team, and creating a new digital design language for an international financial entity.

### Freelance, Graphic Designer

January 2019–Present | New York City, NY

Past clients include ADAY, a direct-to-consumer brand creating sustainable clothing. I designed the visual language for their 2019 International Women's Day campaign. I also designed the interim website for Section4, a new video production start-up.

### AIGA UW, President

June 2018–June 2019 | Seattle, WA

With my fellow AIGA UW board members, I planned events that served both the professional development and creative expression of the UW design community. Events included portfolio reviews, studio tours, and skills workshops.

### Intuit, Visual Design Intern

June–September 2018 | Mountain View, CA

For 12 weeks, I designed for delight alongside the QuickBooks Self-Employed XD team. I worked with developers to create version one of the Self-Employed Apple Watch application and designed six new iOS widgets featuring key functions of the QBSE mobile app.

### DCG ONE, Design Intern

July–September 2016 | Seattle, WA

I assisted the company's creative team with design ideation, CMS organization, research, and web testing on multiple ongoing jobs.
