EDUCATION

University of Washington

BDes Visual Communication Design

BA Political Science

Class of 2019

EXPERIENCE

Intuit, Senior Product Designer

January 2021-Present | New York City, NY

I am currently working on Money by Quickbooks, a new to the world offering serving early start small businesses. I design end-to-end experiences alongside the QuickBooks Money product team in a mission to deliver delight to our customers.

Freelance, Designer

January 2019-Present | New York City, NY

I collaborate with businesses across visual communication and product design needs. Clients have included digital startups Office Hours and Section4, as well as clothing brand ADAY.

Intuit, Product Designer

October 2019-January 2021 | Mountain View, CA

I helped design mobile and desktop products that power prosperity for small businesses and the self-employed with the Quickbooks Payments & Capital design team.

frog, Visual Design Intern

June-August 2019 | Brooklyn, NY

For nine weeks, I worked and learned alongside the frogNY team. Projects included designing and prototyping an app, strategizing best practices and tools for a corporate product team, and creating a new digital design language for an international financial entity.

Intuit, Visual Design Intern

June-September 2018 | Mountain View, CA

For 12 weeks, I designed for delight alongside the QuickBooks Self-Employed XD team. I worked with developers to create version one of the Self-Employed Apple Watch application and designed six new iOS widgets featuring key functions of the QBSE mobile app.
